## Marking Flags

High-quality PVC Marking Flags are ideal for aboveground marking in a variety of industries. From utility construction to line locating, hardware to forestry, landscaping and lawn care to pet containment - these flags ensure consistent communication and long-lasting visibility for your project.

- Bright inks for high visibility
- Long-lasting material colors
- Wind tear resistant for high performance at or below -40° F
- Flag is glued to staff — not wrapped
- Back-of-flag fold creates a larger print area
- Colored PVC staffs available for enhanced visibility
- All APWA colors provided.

## Marking Whiskers

6" Whisker Markers are an ideal alternative marking choice for survey and construction sites, underground utility locating and many other uses. Virtually indestructible, these APWA color-coded Whiskers spring back up when run over by heavy equipment. They are easily attached to wood stakes or to 60-penny nails (not included). Use them alone or in conjunction with other marking products. Sold in Box Quantities (1000 per box)
